Blessing and Threefold Amen

The Children would like to say a very special thank you to 6th Morpeth Beavers who very kindly (and with much fun and paint splashes) made our wonderful crashed spaceship. We would also like to thank our "guest" performers who came to the rescue when we needed them the most. Also we must not forget the "tree movers" (they know who they are) and we are extremely grateful. Our joint Junior Churches have worked so hard to bring this to you today - but the Best Bit of all is the Great Friendships we share between the two Junior Churches.

Instead of the MMC and St George's Joint Junior Church receiving Christmas gifts this year, they decided they would prefer the money to be spent on children who need help. They chose to donate to Unicef the sum that would have been spent on them. The children had a whole host of options from buying winter clothes for children to vaccines to even goats and beehives. The children have opted for 200 vaccines for diphtheria, tetanus and whooping cough for children living in the poorest of countries.

A Merry Christmas to the congregations of St George's and Morpeth Methodist Church from the Joint Junior Church

A very warm welcome to all attending our Church today. We thank the combined Junior Churches for leading our worship this morning. Thanks also to our Orchestra for the music and to our Flower Committee for the decoration of the Church.

Many thanks to all those who helped with last night's Concert by Musica Johannis. In the current circumstances this was well attended and in addition to proceeds from ticket sales there were generous donations for the work of the Marie Curie Charity. The Choir make no charge for their performance. We anticipate that we will be able to send £500 to Marie Curie and £330 to Church Funds.
