Plant Sale & Coffee Morning

Very many thanks to all those Members and Friends who contributed so generously and gave so much help towards yesterday's Plant Sale & Coffee Morning. We hope to be able to give an indication of the amounts raised with this morning's notices. This was a great team effort. Gillian

Technology in Church. Today we are using a projector and screen in order to explore the possibilities of having a more permanent set up in the church. At this stage not everyone will have a clear view of the screen, but we hope that this does not detract from your worship with us this morning. We are exploring what facilities would be needed so that images and words can be projected and are visible to all who are seated in the church. Fundraising is in place for this and, once completed, alternative options will be presented to the Church meeting for consideration.

Tickets for our Grand Raffle to support the purchase of this technology may be obtained from Lorna Anderson or any Elder.
